Energy control panel with three units:

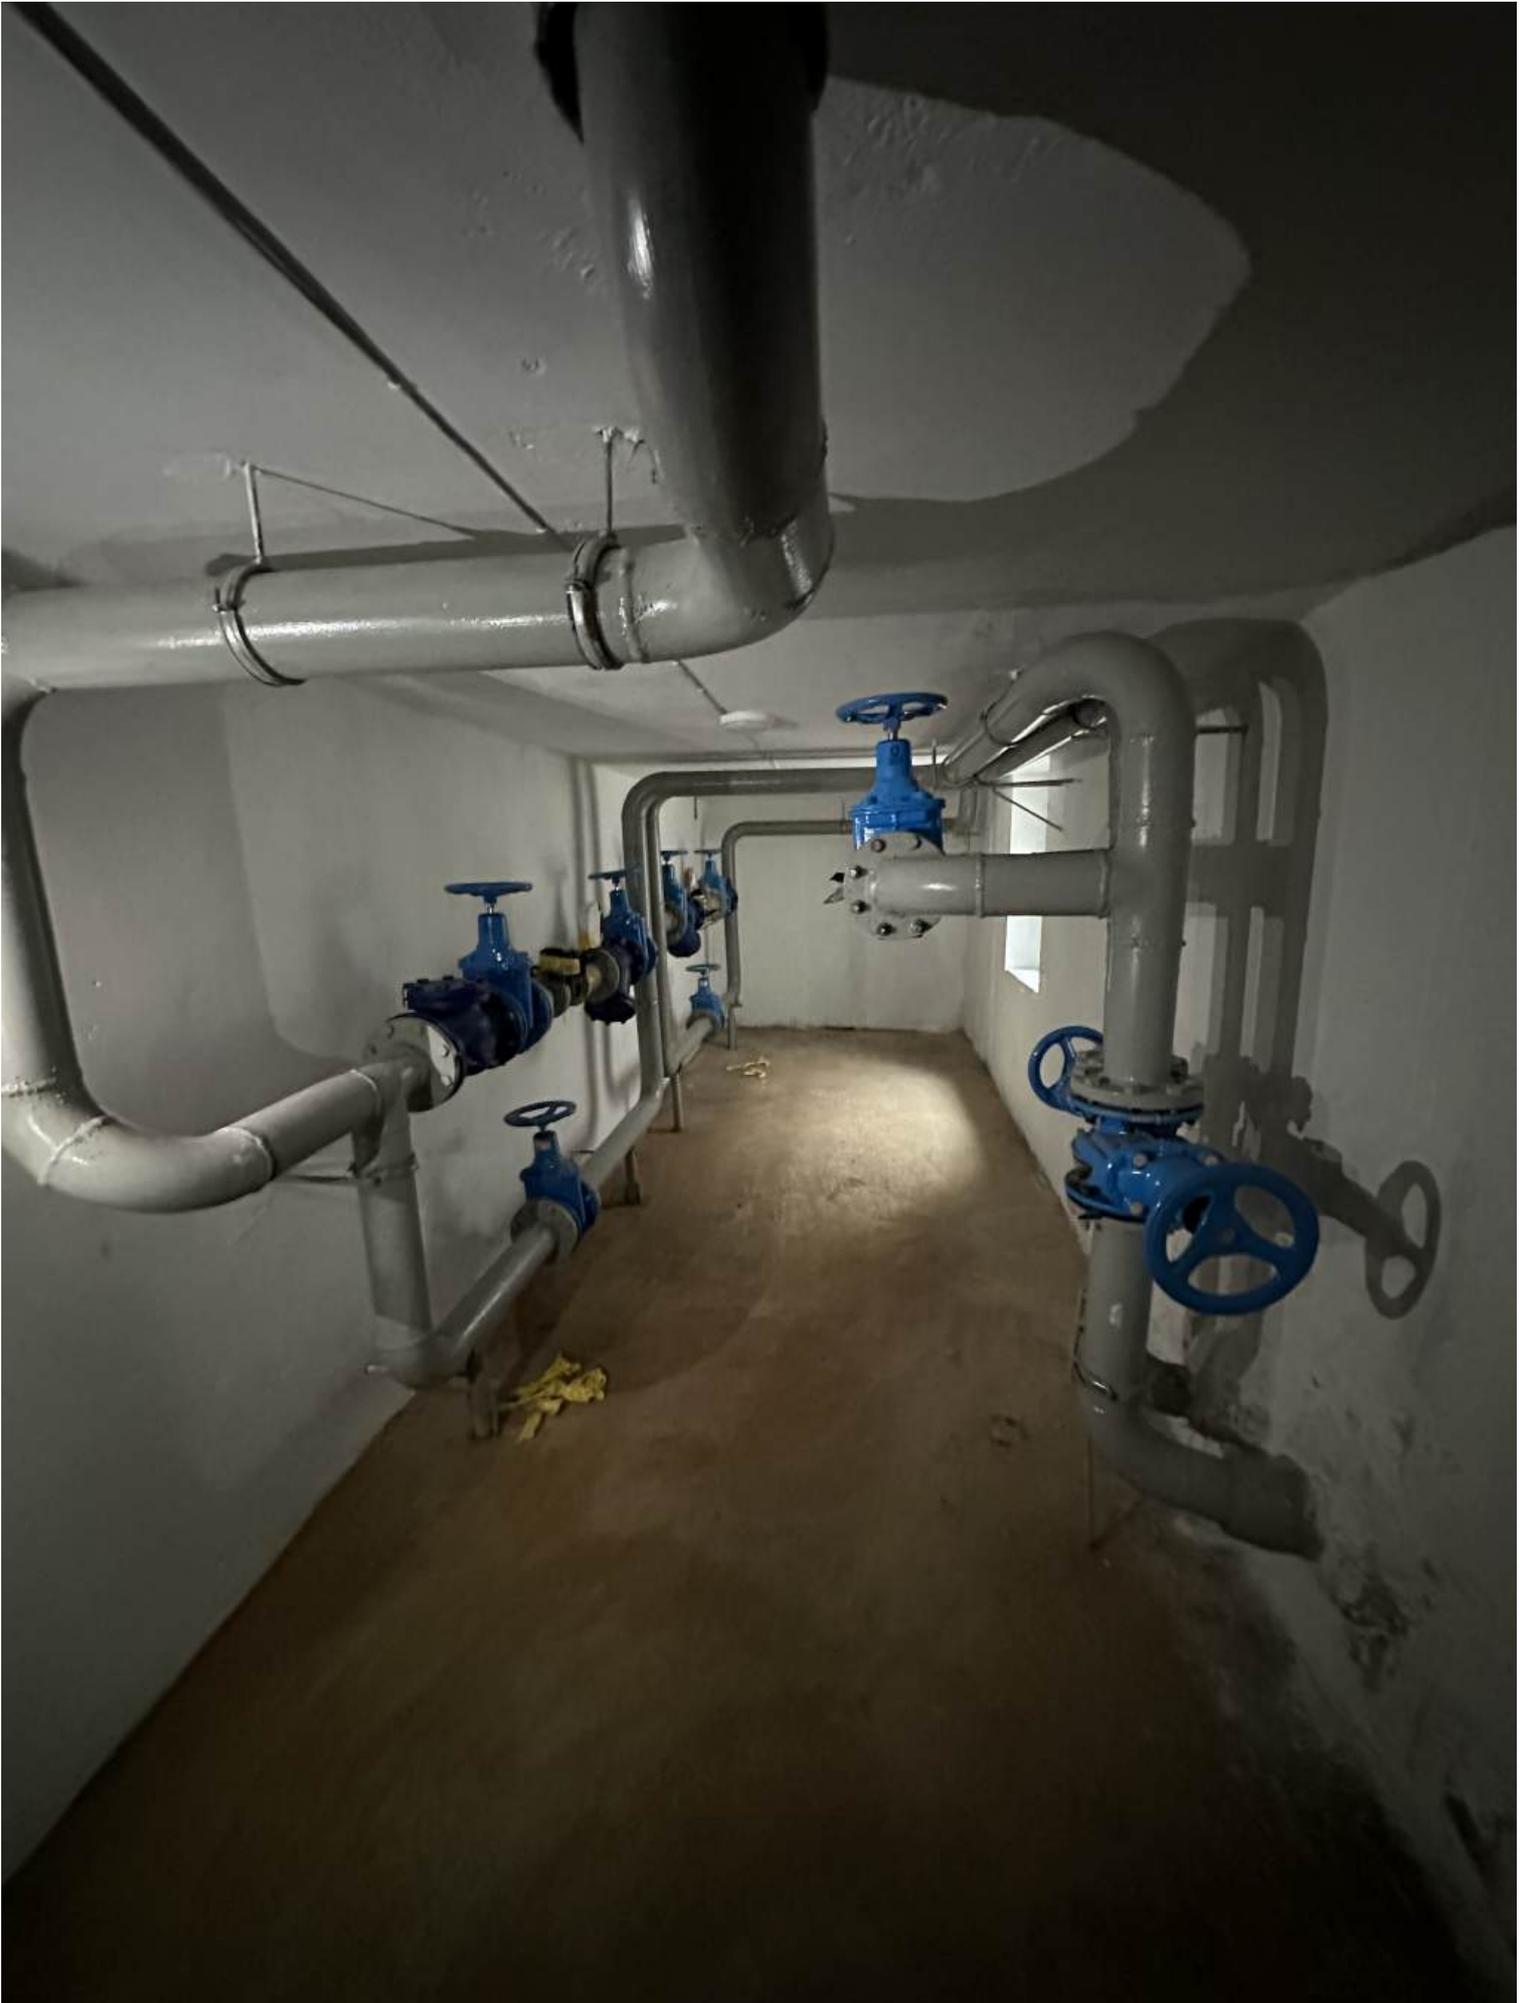

- Left Unit:** A grey control box with three indicator lights (POWER, ON, OFF) and a keyhole. The logo "KULLE ENERGY" is visible at the bottom.
- Middle Unit:** A grey control panel with a digital display and several buttons. It features a keypad with numbers 1-9 and function keys like "STOP", "START", "RESET", and "MODE".
- Right Unit:** A white metal cabinet with a keyhole and a yellow warning triangle symbol.

Two small electronic modules hanging from the shelf:

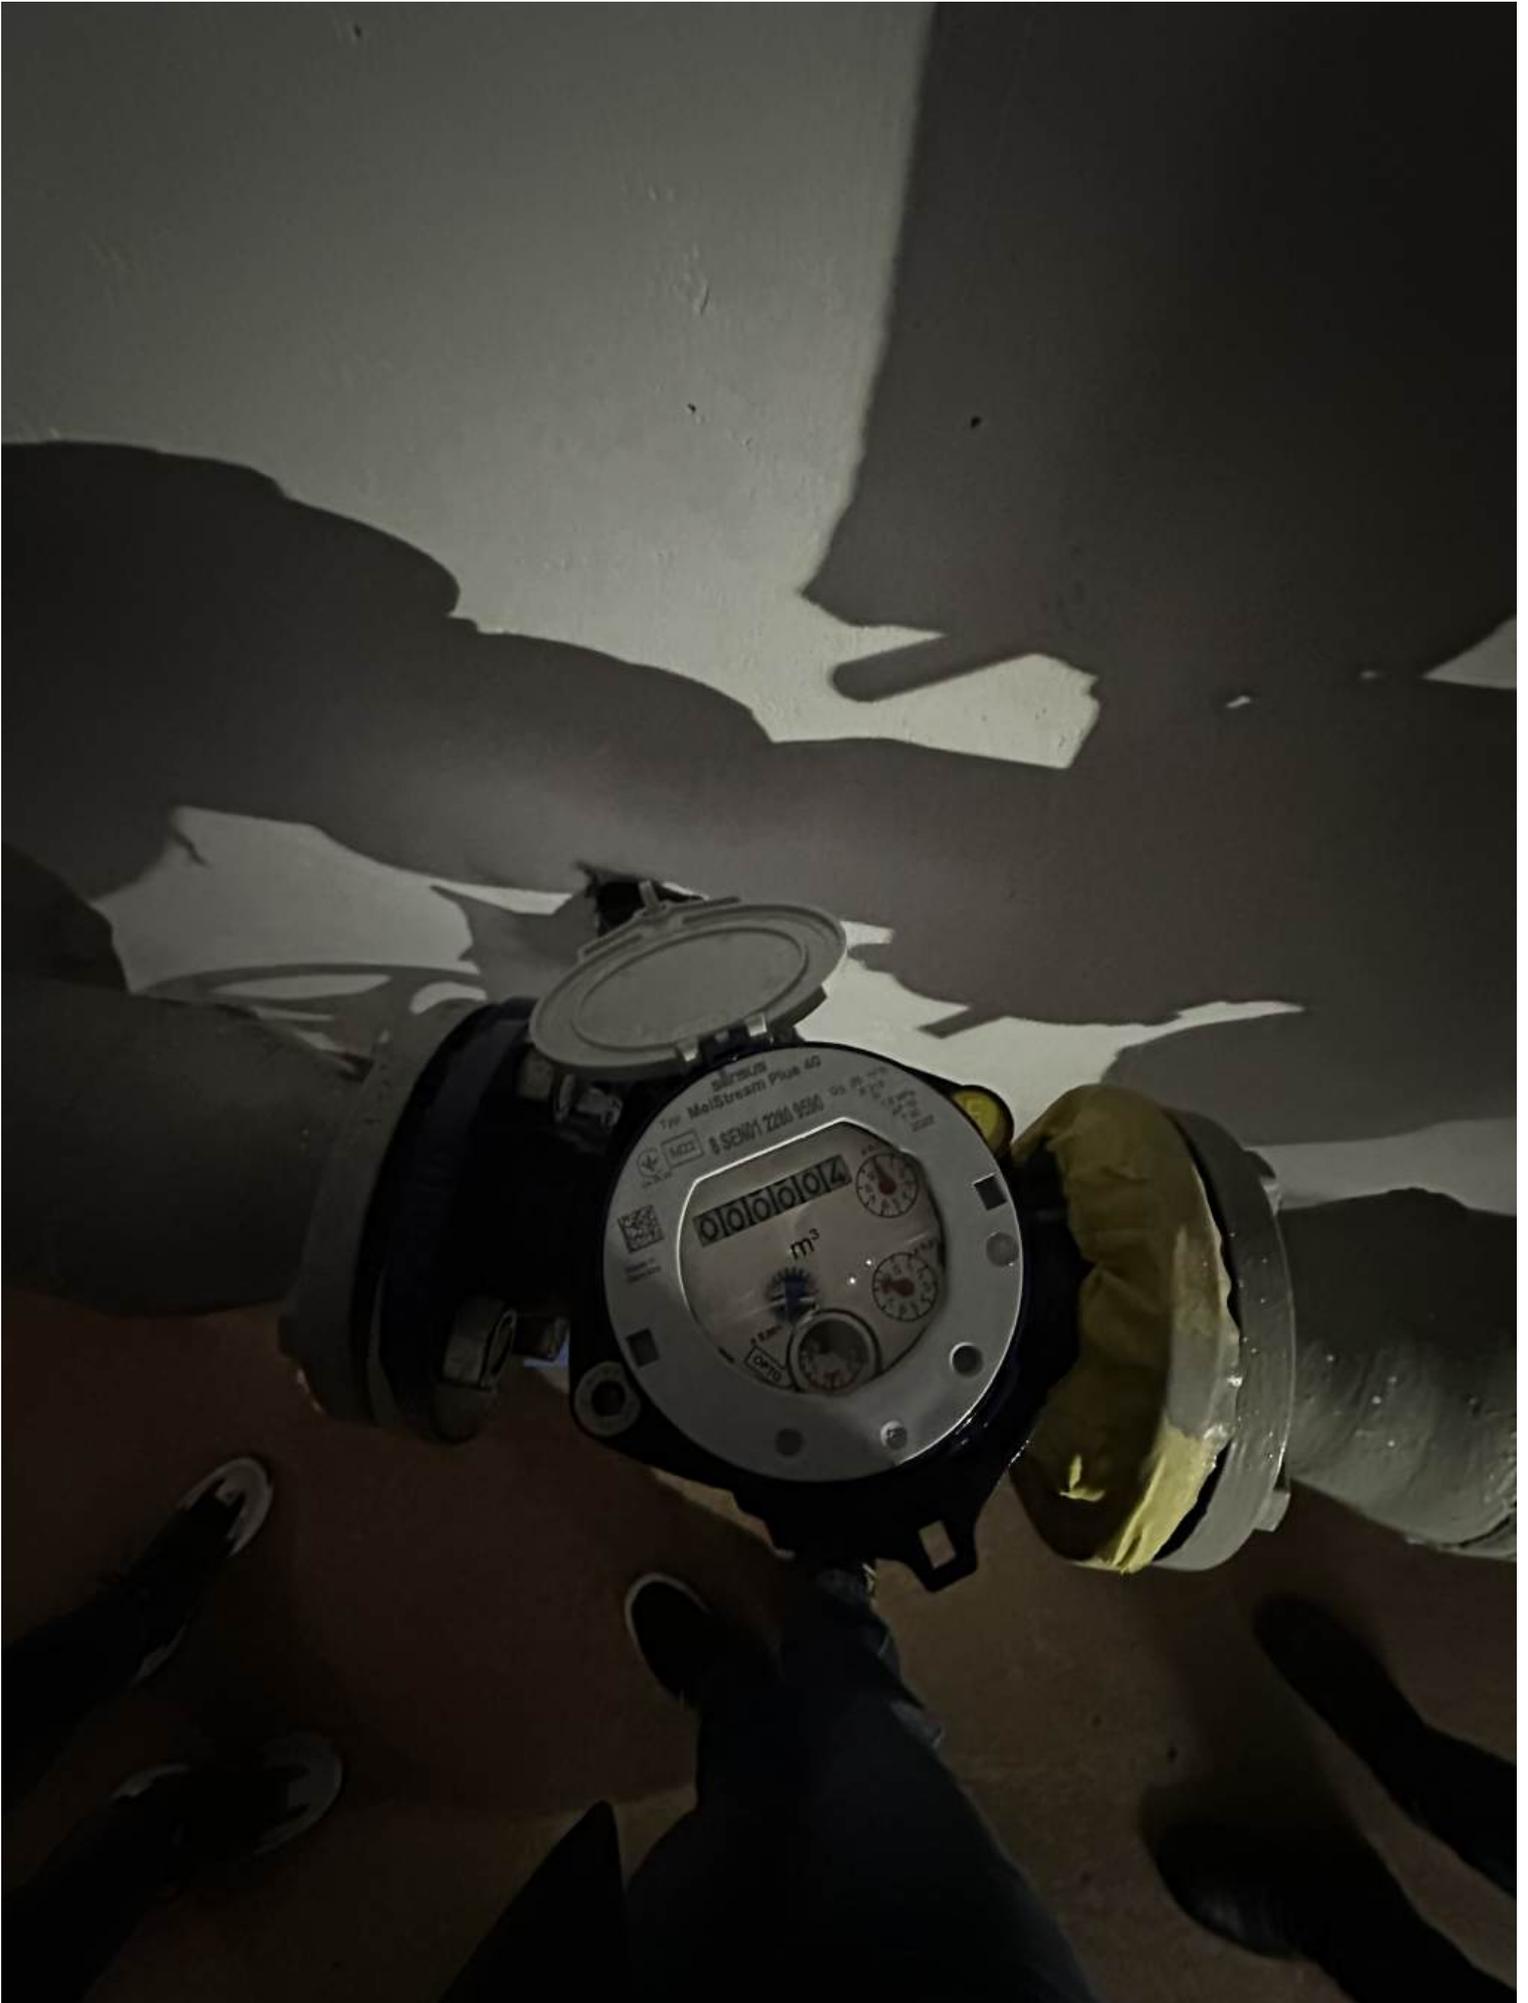

- Blue Module:** Labeled "ИВРЕ ШТРОКА" (Ivra Shtroka) and "СЕРИЈА ИВРЕ ШТРОКА" (Serija Ivra Shtroka).
- Yellow Module:** Labeled "ИВРЕ ШТРОКА" (Ivra Shtroka) and "СЕРИЈА ИВРЕ ШТРОКА" (Serija Ivra Shtroka).

A red electronic module hanging from the shelf, connected by a blue cable. It has a white label with technical specifications and a keyhole.
