Control panel with a digital display and a dial.

A white tankless water heater is mounted on the wall. It has a control panel with a digital display and buttons. A power cord is plugged into the bottom of the unit.

A white water meter is mounted on the wall, connected to a black pipe. It has a red handle and a small display window.

A water filtration system is installed on the wall. It features a blue filter housing, a black handle, and various pipes and valves. The system is labeled with handwritten text "M4D".
